RBI launches the September 2015 Round of Inflation Expectations Survey of Households

The Reserve Bank of India has been conducting Inflation Expectations Survey of Households since September 2005. The survey for the [July - September 2015 quarterly](#) round is now being launched. The survey seeks qualitative responses from households on price changes (general prices as well as prices of specific product groups) in the next three months as well as in the next one year and quantitative responses on current, three-month ahead and one-year ahead inflation rates. The results of this survey provide useful policy information. Inflation expectations are subjective assessments of households covered in the survey and are based on households' individual consumption baskets.

The agency M/s Hansa Research Group Pvt. Ltd., Mumbai has been engaged to conduct this round of the survey on behalf of the Reserve Bank of India. For this purpose, the households will be approached by the agency and the selected households are requested to provide their response. Other individuals that are not approached by the agency can also participate in this survey by providing their responses using [linked survey schedule \(Forms-Survey\)](#). The filled in [survey schedule](#) may be e-mailed as per contact details given below. In case of any query/clarification, kindly contact at the following address:

The Director, Division of Household Surveys, Department of Statistics and Information Management, Reserve Bank of India, C-8, 6th Floor, Bandra-Kurla Complex, Bandra (East), Mumbai-400051; Phone: 022-26578398, 022-26578332, Fax: 022-26571327; [e-mail](#).

Press Release : 2015-2016/456
